

IBM Cloud

Team id	PNT2022MID15458
Project name	Retail Store Stock Inventory Analytics

The screenshot displays the IBM Cloud dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes a search bar, navigation links for 'Catalog', 'Manage', and 'Vikraman M's Account', and a 'Create resource' button. The main content area is titled 'Dashboard' and features a 'For you' section with six cards: 'Build', 'View APIs and SDKs', 'Build a web app with Watson Speech to Text', 'Get Started with Watson Studio', 'Build a Virtual Private Cloud (VPC)', and 'Build a virtual machine'. Each card includes a brief description and a 'Getting started' button with a time estimate. Below this, there are four more sections: 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'. The 'News' section lists several announcements. The 'Recent support cases' and 'Planned maintenance' sections are currently empty. The 'IBM Cloud status' section shows a world map with a blue square indicating the current status. The bottom of the screen shows a Windows taskbar with the date '19-11-2022' and time '10:54'.
